1 On November 15, 2011, the Court issued an [Doc. No. 25] Order granting  
2 Plaintiffs Medalia Rodriguez and Juan Alcala (“Plaintiffs”), on behalf of  
3 themselves and others similarly situated, and Defendants Western Mesquite  
4 Mines, Inc., New Gold, Inc. and Does 1-150 (collectively, “Defendants”) [Doc.

17  
18 **AMENDED ORDER**

19  
20 The Court having read and considered the papers on the motion, good cause  
21 appearing therefore,

22  
23 **IT IS HEREBY ORDERED THAT:**

24  
25 1. The Court **GRANTS** preliminary approval of the settlement based  
26 upon the terms set forth in the parties Stipulation of Settlement and Release  
27 (“Settlement Agreement”) filed herewith. The settlement appears to be fair,  
28 adequate, and reasonable to the class;

1           2.     The settlement falls within the range of reasonableness, appears to be  
2 the product of arm's-length and informed negotiations, appears to be presumptively  
3 valid, subject only to any objections that may be raised at the final hearing, and  
4 appears intended to treat all Class Members fairly;

5           3.     The Court approves, as to form and content, the Notice of Proposed  
6 Class Action Settlement, attached as Exhibit 1 to the Settlement Stipulation, the  
7 Notice of Individual Weeks Worked, attached as Exhibit 2 to the Settlement  
8 Stipulation, and the Request for Exclusion form, attached as Exhibit 3 to the  
9 Settlement Stipulation;

10          4.     The Court directs the mailing of the Notice of Proposed Class Action  
11 Settlement, Notice of Individual Weeks Worked, and the Request for Exclusion by  
12 first class mail to the class members in accordance with the schedule set forth  
13 below. The Court finds that the dates selected for the mailing and distribution of  
14 those documents, as set forth herein, meet the requirements of due process and  
15 provide the best notice practicable under the circumstances and shall constitute due  
16 and sufficient notice to all persons entitled thereto;

17          5.     It is ordered that the settlement class is preliminarily certified for  
18 settlement purposes only, which class is described as: "All current and former non-  
19 exempt employees of Defendant Western Mesquite Mine, Inc., in Brawley,  
20 California, between February 16, 2007 and the date of preliminary approval". In  
21 preliminarily certifying the class for settlement purposes, the Court finds that all of  
22 the requirements for class certification as set forth in Federal Rule of Civil  
23 Procedure 23 are satisfied based upon the allegations of the complaint and the  
24 evidence provided to the Court, subject to further consideration at the Final  
25 Approval Hearing after distribution of notice to the members of the Settlement  
26 Class as set forth below. In the event the proposed settlement is not consummated  
27 for any reason, the conditional certification set forth in this paragraph shall be of no  
28 further force or effect;

6. The Court confirms Philip A. Downey, Anthony N. Luti and Dennis P. Wilson, have fairly and adequately represented the interests of the Settlement Class, will continue to do so and therefore pursuant to Federal Rule of Civil Procedure 23(g)(1), are hereby appointed class counsel for purposes of representing the Settlement Class conditionally certified in this Order. The Court **GRANTS** preliminary approval to an award of attorneys' fees to class counsel in an amount not to exceed \$437,500, plus costs not to exceed \$30,000, both of which to be set on motion;

7. The Court confirms Medalia Rodriguez and Juan Alcala have fairly and adequately represented the interests of the Settlement Class, will continue to do so and therefore pursuant to Federal Rule of Civil Procedure 23(a)(4), are hereby appointed as the class representatives. The Court **GRANTS** preliminary approval to a proposed service payment to them of \$5,000 each, which amount is to be set on motion;

8. The Court confirms CPT Group as the settlement administrator and grants preliminary approval of the reasonable costs of administration payable to CPT Group in an amount not to exceed \$20,000; and,

9. The Court **GRANTS** preliminary approval of the Public Attorneys General Act payment of \$3,750 to the Labor Work Force Development Agency.

10. The Court orders the following schedule for the specified actions/further proceedings:

11. A final hearing will be held on **March 19, 2012 at 3:00 p.m.**, in Courtroom 5, 940 Front Street, San Diego, CA 92101, to determine whether the Settlement should be granted final approval as fair, reasonable, and adequate as to the Class Members. The Court will hear all evidence and argument necessary to evaluate the Settlement, and will consider the request of Plaintiffs for Class Representative Service payments to each of them, and Class Counsel's request for the Class Counsel Fees Payments and Class Counsel Litigation Expenses Payments. Class Members and their counsel may support or oppose the Settlement and the motion for awards of the Class Representative Payments, the Class Counsel Fees Payments, and the Class Counsel Litigation Expenses Payments, if they so desire, as set forth in the Class Notice.
